AZ CORP COMMISSION
DOCKET CONTROL

IN THE MATTER OF THE APPLICATION OF
SABROSA WATER COMPANY FOR
APPROVAL OF A RATE INCREASE

DOCKET NO. W-02111A-11-0272

**STAFF'S RESPONSE TO REQUEST
TO AMEND APPLICATION
AND SUSPEND TIME CLOCK**

On July 7, 2011, Sabrosa Water Company, Inc. ("Sabrosa") filed its rate application. A Letter of Sufficiency was issued on August 5, 2011. Subsequently, Staff of the Arizona Corporation Commission ("Commission") has met with Sabrosa's Interim Manager, Don Bohler, to discuss his situation. Based on those discussions, it appears that the proposed arsenic treatment project has changed substantially in scope. Sabrosa has indicated that it intends to file an amended rate application and a new financing application.

Staff agrees that a suspension of the time clock is appropriate. Once the necessary documentation has been completed and submitted to Staff, Staff will file a request to resume the time clock.

RESPECTFULLY SUBMITTED this 13th day of September, 2011.
